Correspondence: 150 to 200 magazines this month!!

Haunted House: Leanna came to the meeting with ideas for the Haunted House. She wants to do a Haunted House for Sale. It will be a house that has murders and rooms full of different scenes. She would like to have a Haunted Hay Ride and a regular Hay Ride. The Haunted Hay Ride could have a spider that falls down from a tree and a graveyard.

She wants to do a children's section with games, crafts, etc. She suggested maybe the girl scouts could make cookies with the children. They could possibly do face painting and coloring contests.

Larry Proper Update: Deputy Day was done at the park this year. They had approx: 180 kids for the first day. They had a bouncy thing, a waterslide and water was sprayed by fire tankers and sprinklers. The deputies served the kids lunch. The second day they expected 330 kids to come. Med Flight landed to demonstrate for the kids. They had Sheriff's Deputies boats, swat teams with there guns. 12 deputies were here, the Rescue Squad was here and the Hudson Police Dept. with the K-9 unit.

Larry suggested that we buy a used tent from Cantele's.

The plows were painted by the Summer Program kids. They are on display in front of the park. They did a great job!!

There are 2 cabinets in the kitchen that are locked with the Park supplies in them.

The circus had over 1000 not including the tickets that were giving to the children.

Send a Thank You note to Kippy Weigelt.
