

We listened to and watched many performers: Harmony and Heart, Seth Fallon and Friends, The Living Four Band, Musical Memories and The Hot Rod Band.

Some performers watched us dance.

Where's the Parade?

Ssh! Let's listen to the Taconic Hills Central School Band.

The Grand Marshal

And the Town Board and the judges.

Did you see the Copake Auction Float?

I like the 4H Shepherds and the Hoofers.

I played Little League, but not in the Roe-Jan.

Playing in the Middle School Band would be fun.

And pyrotechnics to end the day. They look like fireworks to me.

Thank you for showing me around Community Day.
You're welcome.

Will I see you next year?
Yes you will. Shouldn't we thank somebody for all this effort?

The list is long and involves many Copakeans. We are bound to miss someone. But the Police and Fire Departments along with members of the Town Board, Parks Commission, Highway Superintendent Larry Proper and his staff plus a host of volunteers contributed a lot.

The general overseer was Lindsay Lebrecht-Funk who has been doing this for several years. Thanks Lindsay and everyone from us and the over 2000 others who attended.
